

Joondalup Health Campus wants some of our young growing stars to experience the theatre

To win the opportunity to take 60 students from your school along to the Black Swan State Theatre Company's Twelfth Night, simply tell us in 25 words or less what you want to become most in life.

Send your entry to growingwithyou@ramsayhealth.com.au by Friday 30 July.

Good health and support are often what we need most to become who we want to be in life. For every step, or misstep, along the way Joondalup Health Campus is right behind you, helping your dreams become a reality.

We believe in the power of your dreams, we are *Growing With You*
