

THERE ISN'T A ONE SIZE FITS ALL APPROACH

We will work with you to ensure you experience a good depth and breadth of clinical experience to prepare you for General practice.

Joondalup appreciates that there isn't a one size fits all approach to the doctor in training experience. We are also supportive of part-time work to assist you in completing your training requirements.

JOONDALUP HEALTH CAMPUS (JHC) GP TRAINEE INFORMATION

JHC will give you the best preparation for starting as a Registrar in General Practice.
