

# CARE Call

Are you  
**worried?**

We need to know.

If you, or the person you care for  
gets sicker, tell us right away

Step  
1

Worried about a change in your condition or  
the person you care for? Tell your Nurse.

Step  
2

Still worried? Ask to speak to the Nurse Manager  
or Co-Ordinator.

Step  
3

If your concern is urgent, make a call on  
**9400 9776**

You know yourself or your loved one best. **We will listen to you.**

**IMPORTANT** - If it is an **EMERGENCY** requiring urgent medical attention, press  
the **YELLOW STAFF ASSIST BUTTON** located at the bedside.
